The Mother Cabrini Health Foundation

The Foundation grants up to \$150 million annually to improve the health and well-being of vulnerable New Yorkers, bolster the health outcomes of diverse communities, eliminate barriers to care and bridge gaps in health services. It seeks to promote, sponsor, and support activities, programs, and initiatives that enhance access to affordable quality healthcare and healthcare-related services and address the unmet healthcare and healthcare related needs of communities across New York State, including, in each case, the social determinants of health, consistent with the ethical principles, tenets, and teachings of the Roman Catholic Faith. This Foundation will exist in perpetuity, helping generations of New Yorkers of all faiths or no faith at all.

Building upon the legacy of Mother Frances Xavier Cabrini and the Catholic tradition of healing for the sick and caring for the poor, the Cabrini Foundation supports programs that meet the unmet healthcare and healthcare related needs of individuals, families and communities throughout New York State.
